

Software Registration Information

Enter all information **EXACTLY** as you want it to appear in your software. Complete all fields (Note: not all fields from this form are customized in all software). All software is either customized with the user's name or is activated with an activation code that is associated with the user's name.

Save this form with the user's name at the end of the file name (example "software-registration-John-Smith.pdf"). E-mail the completed form to support@bestinspectors.net with the subject line "Software registration information". If applicable, your custom main report template will be e-mailed to you in 1-2 business days. If this form loaded when you launched your software, replace this file with the custom file that you receive by e-mail.
